

Stevens Memorial Library
20 Memorial Drive, Ashburnham, MA 01430
(978) 827-4115

Coloring isn't just for kids - the activity can be soothing for the busy minds of grown-ups too. Come color away some of the stress from this hectic time of year! The library will provide coloring pages and colored pencils, along with some relaxing music. Now is the perfect time to see what the coloring craze is all about.

This event is free and open to the public.
